Azienda Agricola Il Campasso

Category: Farmhouse holiday Agencies
business description: Agriturismo in Piedmont in which to explore the tastes of Monferrato, declared a UNESCO world heritage site. Our terrace will welcome you in total safety as you indulge in the best our area has to offer.
Il Campasso was opened in the hills of Acqui thanks to the passion of Michela and Alessandro for good food. Dishes of the Piedmont tradition meet with the flavors of the tradition of Campania, and all are accompanied by our
wines.
From the desire to enhance the territory and make you rediscover the pleasure of contact with nature, we organize experiential workshops for kids and farm education workshops for children and adults.

Goodness and Tradition - The food and wine cultures of Michela and Alessandro bring Campania and Piedmont together. Il Campasso offers guests the flavors of these traditions with ever different menus. Barbecued meat is our specialty.
The company produces the famous aromatic wines of Strevi: Moscato and Brachetto as well as Barbera and Cortese.
Mostarde di uva (sweet fruit pickles made from the must of barbera grapes with autumn fruits) are also available.
