

BAR PASTICCERIA LA PIEVE

Category: Pastry, honey, chocolate, jam

business description: Gabriele Ancarani's fame is linked to the production of wedding cakes proposed in different variations, all perfectly combining taste and aesthetics. Specialized in chocolate and bavaois, he is also known for the egg with real gold straw (which you can eat!). The proposal also includes mignon pastries and sweet specialties such as the amaretti of Gavi, panna cotta with apricots, the bavaois and tarts. Do not miss the baci di dama. Panettoni and colombe are also prepared for the festivities.
